## Peels

*Our Chemical Peels effectively manage and get rid of: Sun Damage Acne Acne Scarring HyperKeratosis Hyperpigmentation Melasma Rosacea Acne Rosacea Fine/Deep Lines & Wrinkles Epidermal Resurfacing Stretch Marks Ingrown Hairs.*

### **The Amnesia Peel** From **\$225.00** to **\$375.00**

This off label layered peel uses metabolic retinol derivatives, guaranteeing that we get to the appropriate layer of the skin... to treat the problem where it starts. When the cell turnover cycle is put on the fast track, skin cells come up faster and fresher.

### **The Get In The Ring Peel** (Product prep required) **\$400.00**

This is the strongest and deepest peel we have. This peel requires a 6 product prep and is not appropriate for ethnic skin or pregnant and lactating women.

#### **Basic Peels:**

**Glycolic \$125.00** This peel has a bit of a bite and can reduce lines, wrinkles and acne.

**Lactic \$125.00** Reduce discoloration on the skin and fight dryness with this hydrating peel.

**Salicylic \$125.00** Very tingly and hot feeling. Really gets into those pores and kills the root of the breakout. Fight fire with fire!

**TCA \$125.00** A great introduction to the deeper peels and does not require a prep. Really smooths the skin and reduces pigment. Phenomenal for acne.

---

### **Fire And Ice Treatment** (3rd party vouchers not accepted) **\$165.00**

Our fast action Lactic and Acai peel feels like little mosquito bites. Do not worry—our warm ice mask cools the skin instantly and peels off for a refreshing result. A great pre-party treatment.

### **MicroFILE (Applied Corneotherapy)** **\$165.00**

Our version of microdermabrasion but we use enzymes during the process.

### **Nano (Needle-Free) Collagen Propagation** (3rd party vouchers not accepted) **\$375.00**

The low cost alternative to FULL FACE fillers. This is non-invasive and safe for any age. Reduces nasal labial folds and wrinkles.

### **Oil Change** (Our Signature Acne Peel) From **\$150.00** to **\$250.00**

Acne is just awful isn't it? We know, you never had it as a teenager, so why now? The truth is there are many causes of acne but only one thing can help it clear up quickly...regular maintenance and prevention of the condition.
